

Do you want to know about the first meeting of Gena O'Kelley with chuck Norris?

Gena O'Kelley is the wife of the famous Hollywood actor and martial artist, Chuck Norris. She is a model, former deputy sheriff, and a businesswoman. Gena has been married to Chuck Norris for over 20 years, and they have two children together. In this article, we will take a closer look at Gena O'Kelley's early life, personal life, and net worth.

Personal Life

Gena O'Kelley met Chuck Norris in the late 1990s when she was working as a model. They fell in love and got married in 1998. Chuck Norris was previously married, and Gena became his second wife. Chuck Norris has two children from his previous marriage, and he and Gena have two children together.

Gena O'Kelley has been a supportive wife to Chuck Norris and has helped him manage his career and businesses. She has also been involved in various philanthropic causes and has supported charities that help children with special needs.

In 2013, Gena was diagnosed with a rare disease called Gadolinium Deposition Disease. The disease is caused by the accumulation of gadolinium in the body, which is a contrast agent used in MRI scans. Gena's condition was so severe that she was confined to a wheelchair for several months. However, she did not give up and fought the disease with the help of her husband and family. She has now recovered and is back to her normal life.

Net Worth

Gena O'Kelley's net worth is estimated to be around \$5 million. She has made her fortune through her modeling career, business ventures, and her husband's success. Chuck Norris has a net worth of over \$70 million, and Gena has been instrumental in managing his career and businesses.

Gena and Chuck Norris own a ranch in Texas, which is spread over 2,000 acres. The ranch has a lot of cattle and is also used for breeding horses. They also own a production company called Top Kick Productions, which produces films and TV shows. Gena has been involved in the production company and has helped produce several successful projects.

Early Life

Gena O'Kelley was born in the United States of America in 1963. She was raised in a small town in Louisiana, where she spent most of her childhood. Growing up, Gena was interested in sports and was a competitive athlete in high school. She was a cheerleader and was also involved in track and field.

After high school, Gena moved to Dallas, Texas, to pursue a career in modeling. She worked as a model for several years and appeared in various commercials and print advertisements. Gena's modeling career was successful, and she worked with some of the top brands in the industry.
